

Epping Forest District Council Local Plan – Sites for consideration following Regulation 18 consultation (amended list)

August 2017

The District Council is undertaking further site selection work as part of the progression of the Local Plan process. The list includes new sites, sites where the boundaries have been changed and therefore required further assessment, and sites withdrawn by the landowner / developer. This takes into account representations received through the draft Local Plan consultation and further sites submitted prior to the 31 March 2017 deadline. There are 169 sites which are currently being assessed as part of this process. The Council will then conclude on any alterations that may be required to the Local Plan site allocations prior to the publication of the Pre-Submission Regulation 19 Plan, taking account responses received to the Regulation 18 Draft Local Plan and further emerging evidence base. (N.B. The site address Land North of Vicarage Lane, Chigwell, IG7 6LS has three different site reference numbers due to the land being separated by roads. Each site will be assessed on its own merit and has therefore been counted as three separate sites for the purpose of this list).

This list has been amended as it was brought to our attention that there were duplicate sites listed. This error has now been corrected. The site reference numbers have also been included. No other alterations have been made.

Parish	Site type	Reference	Address	Size (ha)	Primary Landuse
Buckhurst Hill	New	SR-1003	Victoria House, Victoria Road, Buckhurst Hill, Essex, IG9 5EX	0.11	Residential
