Dear Louise,

**Re: EFDC Local Plan submission under Regulation 19
by the Chigwell Residents Association dated January 2018**

At the Association's full committee meeting last Monday evening, the content of the Association's 2018 submission under Regulation 19 was extensively discussed and at the end the committee voted unanimously to withdraw the it's submission.

As the Inspector has kindly agreed, we will submit a Hearing Statement under Policy P7 before the 21st February 2019 deadline.

We will also advise the Inspector of the name of the committee member who will speak on the Association's behalf at the Hearing to be held on Thursday 16th May next.

Yours sincerely
