Part 2

Question 1

Why do you consider that the draft Chigwell Neighbourhood Plan and/ or supporting documents do/ do not meet the specified “basic condition”? Please provide a brief summary of your comments.

The draft Chigwell Neighbourhood Plan fails to meet the specified “basic condition” of A in that Chigwell Parish Council (the qualifying body) fails to meet the Secretary of State’s guidance for publicising the the submitted draft NP for six weeks I attach a copy of the Agenda (produced 22nd June) currently on the CPC website for this Thursday 28th June Chigwell Parish Neighbourhood Plan committee meeting. As you can see, the committee are wrongly stating the consultation period is open until 26th July and planning to publicise the consultation period via newspapers, on the parish noticeboard, leaflet, surgery, when comment is no longer possible

Detailed explanation and proposed modifications. Please give further details of your opinion and the reasons for it, as well as any proposed improvements or modifications to the Plan (continue on a separate sheet as necessary).

As has been highlighted by both consultants employed by CPC and the EPDC, Chigwell Parish Council appears not to be sufficiently and effectively engaging with residents in the matter of the NP and the items within it. The Parish Council should be encouraged to set up an advisory committee of non-councillors to work with the Parish on the NP, as per the Secretary of State’s guidance.

An extension to the consultation period may be considered appropriate in light of the lack of accurate information given to residents regarding the consultation period
