Part 2

Question 1

Why do you consider that the draft Chigwell Neighbourhood Plan and/ or supporting documents do/ do not meet the specified “basic condition”? Please provide a brief summary of your comments.

Local Education Provision (paragraphs 5.8 / 5.9)

Chigwell School (mentioned in the list of sites and developments from which developer contributions would be sought) is a privately funded school and it may not be the case that it would be appropriate for developer contributions to be used for this.

ECC advised at the previous NP consultation (2017) that as far as it understands, planning contributions could not be sought from developers (through such means as Section 106 agreements or the Community Infrastructure Levy) for Chigwell School, as this is a private school and therefore not eligible for funding through such means.

ECC has also responded previously to state that the NP needs to express support for the relocation and expansion of Chigwell Row Infant School on a new site. Accordingly, policy should be included showing support for identifying suitable land, possibly in the Green Belt – (this could otherwise form part of policy CHG5 Supporting Community Assets)

In addition, it is noted that the NP refers to Chigwell Row Primary School rather than Infant School.

Detailed explanation and proposed modifications. Please give further details of your opinion and the reasons for it, as well as any proposed improvements or modifications to the Plan (continue on a separate sheet as necessary).

Consider deletion of Chigwell School from the list of projects

Add policy content to help enable the relocation and expansion of Chigwell Row Infant School - on a new site. It would be beneficial in this regard if the NP could identify and allocate such a site

Also (as a technical correction) Correct current reference to Chigwell Row Primary School to instead refer to Chigwell Row Infant School

Question 2

The appointed examiner will consider all representations received by the deadline (**4pm, Tuesday 26 June 2018**). Normally, the examiner will seek to consider all responses through written representations. However, occasionally an examiner may consider it necessary to hold hearing sessions to discuss particular issues.

Please indicate whether you would like to request to be heard before the examiner at the Neighbourhood Plan Examination Hearing: Yes / ~~No~~

If you have indicated that you wish to attend the Examination, please explain why you consider this to be necessary. Please note that this is entirely at the discretion of the examiner:

In order to ensure that ECC is able to explain and clarify any changes sought (if necessary) and to help agree an appropriate form of changes, where necessary, through this discursive process

Question 3

Please indicate whether you wish to be notified of either or both of the following:

The publication of the recommendations of the Neighbourhood Plan Examiner

YES / NO

Final “making” (adoption) of the Neighbourhood Plan by Epping Forest District Council

YES / NO
