

EPPING FOREST DISTRICT LOCAL PLAN EXAMINATION
OFFICE FOR NATIONAL STATISTICS: 2018-BASED HOUSEHOLD PROJECTIONS

17 August 2020

Dear Mrs Phillips

Re: Office for National Statistics: 2018-based household projections

1. The Council writes further to your letter of 14 July 2020 (ED111) in respect of the above. We can confirm that we have liaised with our Housing Market Area partner authorities on this matter and are jointly progressing the work required to provide you with the evidence-based written statement that you have requested. We will endeavour to provide you with this as soon as possible. We anticipate currently that this will be in early September 2020 but will of course keep you informed if anything changes.
2. We hope that this is satisfactory and if you have any queries please do not hesitate to contact me.

Yours sincerely

Alison Blom-Cooper
