Dear Louise St John Howe,  
Re: Limes Farm proposed development on Manor Road, Chigwell, Essex.  
I strongly object to any proposed housing development on the only recreational green space available to residents of Grange Hill parish. In recent years this area of Chigwell has been grossly overdeveloped and overpopulated without any additional infrastructure. The extra traffic would add to the horrendous rush hour congestion on Manor Road therefore dangerously impacting on air quality.  
During Covid pandemic this recreational area has provided local residents with the only green open space in Grange Hill, Chigwell.  
With kind regards  
Ian Hayzelden
